 dwell

And **Christ** will be my song
And dwell with **Christ** at home
And with Jesus **Christ**, my Savior
But God, and **Christ**, and heav'n
 appear
But in **Christ** sweet consolation
Christ has to Himself sinners granted
Christ laid aside His crown
Christ shall come a second time
Christ the life and **Christ** the way
Christ the light, yon setting sun
Christ, the Lord, is come to reign
Christ will gird Himself, and serve us
Come and follow **Christ**, the way
Did **Christ** o'er sinners weep
He dwells with **Christ**, the King
I hope in **Christ** you'll still go on

I hope in **Christ** you will go on
I want your souls with **Christ** to live
I wish your souls with **Christ** to live
If **Christ** be present all is well
In the cross of **Christ** I glory
Jesus **Christ** can give you rest
Jesus **Christ** can make you clean
Jesus **Christ** can still forgive
Jesus **Christ** is ris'n today
Jesus **Christ** now reigns on high
Jesus **Christ**, your Father's Son
Joy and peace in **Christ** I find
Looking unto **Christ** the Lord
May the grace of **Christ** our Savior
Now is **Christ** risen from the dead
Of Jesus **Christ**, the bleeding Lamb,
 Hallelujah
On **Christ**, the Cornerstone

Our life in **Christ** concealed
Save in the death of **Christ**, my God
Say will you have this **Christ** or no
That bears the name of **Christ**
The cross of **Christ** inspires my heart

The love of **Christ** constraineth me
The way of life and **Christ** to choose

And conquer or **die** by the American Star
 And death itself shall **die**
 And did my Sov'reign **die**

And for sinners came to **die**, what love
 And for this He was condemned to **die**
 And I must go, and **die** down in the
 cold and silent grave
 And leads by streams that never **die**
 And let it faint or **die**

And love shall never **die**
 And pine away and **die**
 And pleasure only blooms to **die**
 And shall be till I **die**
 And shout salvation when I **die**
 And they must drink or **die**
 And to Thy glory live or **die**
 Blessed are the dead that **die** in the
 Lord

Bloom awhile, then fade and **die**
 Born that man no more may **die**
 Ev'ry plant should droop and **die**
 Fit us to **die** and dwell with Thee

For thee I deign to **die**
 He asked if I for him would **die**
 I am bound to **die** in the army
 I hope to praise Him when I **die**
 I must forever **die**
 I shall forever **die**
 I want to **die** a-shouting
 I'll praise Him when I'm called to **die**
 If you **die** first, anon you must
 It grieved me sore that I must **die**
 Kept by a Father's hand, love cannot
die

Lord, while we see whole nations **die**
 Nor all of death to **die**
 Oh, I **die** with hunger, here he cries
 Oh think before you **die**
 Or you can't go to heaven when you
die

That they should never **die**
 That you must groan and **die**

I seek His blessings **ev'ry** noon
I want to live for Jesus **ev'ry** day
I'll bid farewell to **ev'ry** fear

I'll seek His blessings **ev'ry** noon

In **ev'ry** joy that crowns my days
In **ev'ry** pain I bear
In **every** thing that's lawful
Is falling **ev'ry** day
It touched and glanced on **ev'ry** hand
Let **ev'ry** creature join
Let **every** heart prepare a throne
Let **ev'ry** land their tongues employ
Let **ev'ry** mortal ear attend
Make **ev'ry** path of duty straight
Oh Jesus, be with me in **every** battle

On **ev'ry** side I find Thy hand

Peace He speaks with **ev'ry** breath
Perish, **ev'ry** fond ambition
Renew it boldly **ev'ry** day
Renew the conflict **ev'ry** day
Secure from **ev'ry** mortal foe
Sound His praise through **ev'ry** nation
That **ev'ry** saint surround
Through **ev'ry** age eternal God
Through **ev'ry** land, by **ev'ry** tongue

'Tis sweeter **ev'ry** day
To bless the soul of **ev'ry** guest
Which Gabriel plays on **ev'ry** chord
Yes **ev'ry** secret of my heart

A **Father** on the road
 I'm going there to see my **Father**
 And a **father's** loving voice you'll hear
 And now, dear **father**, do repent
 And the **Father's** boundless love
 And we shall hear our **Father** say
 Be kind to thy **father**, for now he is old
 Be kind to thy **father**, for when thou
 wert young
 Before His **Father's** face

But now, dear **father**, do not weep
 Dear **father**, you've been kind to me
 Dear **Father**, to Thy mercy seat
Father, if I may call Thee so
 From God the **Father** and the Son
 Give Him glory, Oh my **father**
 I've a **Father** on the road
 I still view the chairs of my **father** and

fire

Fire, ascending, seeks the sun
My heart grows warm with holy **fire**
See the cloud and **fire** appear
Tempests and **fire** attend Him down
the sky
The chariot! the chariot! its wheels roll
in **fire**
To darkness, **fire**, and pain

firm

And **firm** as mountains be
Firm as a rock the soul shall rest
Firm as His throne His promise stands

How **firm** a foundation, ye saints of the
Lord

firmament

The **firmament** showeth His
handiwork
The spacious **firmament** on high

first

And become the **first-fruits** of them
that slept
And greet me **first** in heav'n

But gather **first**, my saints, the Judge
commands

Ere **first** I drew this vital breath

Grace **first** contrived the way
He caught the **first** accent that fell
from thy tongue

I **first** found in the blood of the Lamb
If you die **first**, anon you must

Foes may hate and **friends** disown me
For better **friends** above
Friends believe me when I tell
Friends, connections, happy country
Hark! Hark! my dear **friends**, for death hath called me

I long to see my **friends** again
I'll meet my **friends** who've gone before

In that last sad hour, 'mid **friends** so dear
Kindred and **friends** agree
Lift up your heads, Immanuel's **friends**
My Christian **friends**, in bonds of love
My Christian **friends**, to whom I speak

My **friends**, come listen awhile
My **friends** have been so good to me
My **friends**, I am going a long and tedious journey

My **friends**, I bid you all adieu
My sinner **friends**, now will you seek

My youthful **friends**, in Christian ties
Never to return. Fare you well my **friends**

Oh could I stay with **friends** so kind
Shall I regret my parting **friends**
Strangers slight, or **friends** despise
Take life or **friends** away

Then, Oh my **friends**, prove faithful
Thou art passing away from thy kindred and **friends**
To leave my dear **friends**, and with neighbors part

We'll land with our **friends**, who've gone on before

Weep not, my **friends**, weep not for me

When **friends** I cherish most are near
Where **friends** hold fellowship with **friends**

Why do we mourn departing **friends**
Ye come our sinking **friends** to save
Your **friends** will pass the lonesome

To that bright home, what a joy is
giv'n
 Unto our Lord was **given**
 We wait in hope on the promise **giv'n**

gives

And **gives** me strength for days to
 come
 And **gives** the blind their sight
 He **gives** His precious life for you
 I'll praise Him while He **gives** me
 breath
 It **gives** life and comfort and gladness
 within

It **gives** us inward pain
 It is the Lord that freely **gives**
 The church triumphant **gives** the tone
 This He **gives** you
 To part with you **gives** to my heart
 What comfort this sweet sentence

gives

Yet the question **gives** a plea

giving

Of that **life-giving** stream

glad

I'm **glad** that I am born to die
 And the earth shall be **glad** before the
 Lord

Hark, the **glad** sound! the Savior
 comes

I've learned to sing a **glad**, new song
 Lo! **glad** I come, and thou, blest Lamb
 Lo! **glad** I come and Thou, dear Lamb
 Rise, follow Thy Savior and bless the
glad day

Soon I shall sing the **glad**, new song
 The angels in glory repeat the **glad**
 story

To spread the **glad** tidings of liberty far
 Where seraphs and angels repeat the
glad story

gladly

Gladly leaving all below
 Make His praises **gladly** ring
 The **gladly** solemn sound

gladness

It gives life and comfort and **gladness**
 within

Now, now changing to **gladness**
 Sing, brethren, sing, rejoice with joy
 and **gladness**

The oil of **gladness** on our heads
 When **gladness** wings my favored
 hour

glanced

It touched and **glanced** on ev'ry hand

gleam

And catch the bright, seraphic **gleam**

The garments **gleam** like silvery sheen

gleaming

I in gems and roses **gleaming**
 When o'er the dark wave the red
 lightning is **gleaming**

glee

And joined in thy innocent **glee**

glide

Glide through the midnight air

glides

Gently **glides** the stream of life

glimpse

Lord, if a distant **glimpse** of Thee

glittering

And the **glitt'ring** prospect charmed
 my eyes

I've sought for bliss in **glitt'ring** toys
 More needful this than **glitt'ring**
 wealth

My **glittering** crown appears in view
 Nor set your hearts on **glitt'ring** dust
 To see the bride, the **glitt'ring** bride
 Who tipped your **glitt'ring** wings with

Thou spotless Lamb of **God**

Thou wondrous advocate with **God**

Though mercy's free, our **God** is just

Through ev'ry age eternal **God**

Till **God** shall bid it fly

Till our **God** makes all things new

'Tis my desire with **God** to walk

To **God** and to the Lamb

To **God** the sov'reign King

To **God** who gave it

To help me on to **God**

To praise th'eternal **God**

To see my **God** above

To see sinners falling and crying to **God**

To sing **God's** praise in endless day

To sit with joy at **God's** own throne

Turn to **God**, Oh turn and live

Unto our **God** be glory in the highest

Wand'ring from the fold of **God**

Well may Thy servants mourn, my **God**

What shall I render to my **God**

When **God** recalls His own

When **God** revealed His gracious name

When **God** was thy ransom, thy guardian and guide

When I shall, with my **God** and King

Where **God's** redeemed their vigils keep

Where I might find my **God**

Where my Redeemer **God**

Which **God** has commanded us well to improve

Which opens the way to **God's** throne

While I address you in **God's** name

While pressing on to **God**

Who never knew our **God**

Will be our **God** while here below

Will **God** forever cast us off

With **God** you have no union

With His Father and our **God**

Ye who thoughtless **God** despise

Yet **God** hath built His Church thereon

Zion, city of our **God**

Godhead

And the heav'n's with the burden of **Godhead** are bowed

Be joined with **godly** fear

Oh, sinner, **hear** Him cry
See Him gasping! **Hear** Him crying
Sinners, **hear** Jehovah speaking
Smile when the slow tolling bell you
shall **hear**

The Gospel trumpet **hear**
The next we **hear** of this blessed
Savior

Then shall I see, and **hear**, and know

There is a name I love to **hear**
Thrice blessed are they who **hear** the
call

Thy pard'ning voice, oh, let me **hear**
To **hear** His justice and the sinner's
doom

To **hear** my awful sentence there
To **hear** the people cry
To **hear** the sorrows Thou hast felt
To **hear** the trumpet sound
To sing, to **hear**, to preach and pray
Today, if you will **hear** His voice
We soon shall **hear** the angel's voice
When Gabriel's trumpet you shall **hear**
When I **hear** the trumpet sound in the
morning

When I the summons **hear**
While they **hear** that sweetest voice
Young people, **hear** me as your friend

heard

And **heard** thee faintly cry
And **heard** you tell your hopes and
fears
And I **heard** a mighty angel
I've a long time **heard** that the earth
will be burning
I've a long time **heard** that the sun will
be darkened
I've a long time **heard** that there will
be a judgment

Behold, what **heav'nly** prophets sang
 But children of the **heav'nly** King
 But servants of the **heav'nly** King

Can make a **heav'nly** place
 Can you slight such **heav'nly** charms
 Children of the **heav'nly** King
 Come, Holy Spirit, **heav'nly** Dove
 Dear Lord, what **heav'nly** wonders
 dwell
 Escaped to the mansion of **heavenly**
 rest
 Gird on the **heav'nly** armor
 How **heav'nly** is the place
 How often we've met Him in sweet
 heav'nly union
 I hope to join the **heav'nly** host
 I'd soar and touch the **heav'nly** strings
 If she would gain this **heav'nly** land
 In earnest for the **heav'nly** land

In seas of **heav'nly** rest

Lay your head upon His **heav'nly**
 breast
 Lord, shed a beam of **heav'nly** day
 Oh for a breeze of **heav'nly** love
 Oh glorious type of **heav'nly** grace
 Oh, the delights, the **heav'nly** joys

Soon I will strike the **heav'nly** lyre
 The **heav'nly** armies throng
 The **heav'nly** port is nigh
 The news of **heav'nly** grace
 This **heav'nly** land from ours

Those **heav'nly** guards around Thee
 wait
 Thy **heav'nly** Father's call

Till they reach the **heav'nly** land
 To mount the **heav'nly** road

I **hope** in Christ you will go on
 I **hope** that I shall meet you there
 I **hope** the Lord will you reward
 I **hope** the prize to gain
 I **hope** to join the heav'nly host
 I **hope** to meet you, too
 I **hope** to praise Him after death
 I **hope** to praise Him when I die
 I **hope** to reach that happy place
 I **hope** we'll meet again
 I **hope** we'll meet on Canaan's land
 I **hope** you'll all remember me

In **hope** of the eternal days
 Increase, Oh Lord, our faith and **hope**
 Let the sweet **hope** that Thou art mine

 My **hope** is in the Lord

My **hope**, my salvation, my all
 Nor **hope** lends a ray the poor seaman
 to cherish
 Nor let my **hope** be lost

Of faith, and **hope**, and love

Oh glorious day, Oh blessed **hope**

Oh, what a blessed **hope** is ours
 Our **hope** for years to come
 Rejoice in glorious **hope**
 Rejoicing in **hope** of my glorious home
 Strong in faith, in love and **hope**
 The glorious **hope** of endless rest
 Till dying **hope** revives again
 Twelve valiant saints, their **hope** they
 knew

We wait in **hope** on the promise giv'n
 When sunshine and when **hope**
 surrounds
 Which makes me **hope** we'll meet
 again
 While we expect that blessed **hope**
 Whose **hope** still hov'ring 'round Thy

And what I am is hard to **know**
By faith we **know** a world above
Daniel's wisdom may I **know**
For if I stay away I **know**
From Adam's head, we **know**
I've strayed! I'm left! I **know** not how
He's gone, I **know** not where
I **know** dark clouds will gather o'er me
I **know** he'll guide me all the way
I **know** His courts, I'll enter in
I **know** I love Thee better, Lord
I **know** I must go through great
tribulation

I **know** it is not very far
I **know** my way is rough and steep
I **know** that my Redeemer lives
I **know** the reign of sin's dark night

I **know** there is a paradise
It is one thing I surely **know**
Its sovereign virtues **know**
Jesus, my God, I **know** His name

Let all the nations **know**
Lord, we **know** not how to go
Mortals shall **know** their Maker's love
My Redeemer to **know**
My soul abounds with joy to **know**

My steadfast heart shall **know** no fear
No period then our joys shall **know**
No tranquil joy on earth I **know**
Nor **know** the hour of our relief
Now I must go, where I don't **know**
Oh, Jesus, my Savior, I **know** Thou art
mine

The living **know** that they must die
Then shall I see, and hear, and **know**

There was Simeon and Anna, and I
don't **know** how many

Thou no more our songs shall **know**
Thy saints are comforted, I **know**
Thy Spirit taught me to **know** I was
blind
Till I Thy name, Thy nature **know**

 Such **love** and meekness so divine

 That in His **love** is found
 That won my **love**, I knew not why
 That you stir not up, nor awake my

The bosom of Thy **love**

 The regions of pleasure and **love**
 The secret of Thy **love** unfold

The voice of **one** crying in the
wilderness

Though we part here in body, we're
bound for **one** glory
Thus saith the high and lofty **One**
To spend **one** more day with Thee on
earth

We'll shout and sing with **one** accord

ones

And all the loved **ones** gone before
The weak, the dumb, the blind **ones**
too
To that bright world where loved **ones**
go
Ye heedless **ones** who wildly stroll

Yes, my loved **ones** are now over
there

only

I'm **only** going over home
I'm **only** going over Jordan
And pleasure **only** blooms to die
And worship **only** Thee
Be Thou my **only** hiding place
If aught is felt, 'tis **only** pain
If Thou, gracious Lord, will **only** be
with me
In and through God's **only** Son
Only Thou our leader be

 To save us rebels dead in **sin**
 What have I gained by **sin**, he said

Sometimes I shout and often weep

Jesus Thou **Son** and heir of heav'n
Mercy, O Thou **Son** of David

Not worthy to be called his **son**

song

An angel's **song** can do no more
And burst into a **song**
And Christ will be my **song**
And every voice a **song**
And form a sacred **song**
And join the sacred **song**
And sing a parting **song**
And sing redemption's **song**
And sorrows often take my **song**
And the sound thou didst hear was the
seraphim's **song**

And thus conclude their **song**
Forgive the **song** that falls so low
Hark! what sweet music, what a **song**
I've learned to sing a glad, new **song**
I've learned to sing the **song** of joy
I've learned to sing the **song** of peace
He justly claims a **song** from me
He safely leads my **song** along
I long to dwell and eternally join in the
song

If Thou art my sun and my **song**
Join in a **song** with sweet accord

Let one sweet **song** begin

My comfort by day and my **song** in the
night

Sing a sweet **song** such as angels
may have

Soon I shall sing the glad, new **song**
Sweet **song**, whose melting sounds
impart

Then in a nobler, sweeter **song**
Till death and glory raise the **song**
We'll join the everlasting **song**
When I shall unite in your **song**
Ye heav'nly host, the **song** begin

And wilt **thou** not be blest
Art **Thou** the Man that died for me

Hail, solitude, **thou** gentle queen
Hope still; and **thou** shalt sing
I, a poor child, and **thou**, so high

wilt

And **wilt** thou not be blest
Great God, and **wilt** Thou condescend
Mold as Thou **wilt** my passive clay
Thou no more **wilt** join our number
When **wilt** Thou, gracious Lord
Wilt Thou not accept my prayer
Wilt Thou not regard my call
Wilt thou still refuse to pray

win

And longed their souls to **win**
Arise and pray, we'll **win** the day
While others fought to **win** the prize

Win the day and conquer all

wind

From ev'ry stormy **wind** that blows
To gather empty **wind**
With joy outstrip the **wind**

winding

The coffin, earth, and **winding** sheet

The **winding** sheet

winds

And on the wings of mighty **winds**
At Thy command the **winds** arise
No chilling **winds**, or pois'nous breath
Rains descend, the **winds** are high
The **winds** hushed their murmurs, the
thunders expired
The **winds** may blow and the billows
may foam
Though chilling **winds** and beating
rains
Thy words the raging **winds** control
Where stormy **winds** do blow

wing

On love's triumphant **wing**
Our life is ever on the **wing**
See how the angels **wing** their way
With the shadow of Thy **wing**

wings

Again for joy she claps her **wings**
And on the eagle **wings** of love
And on the **wings** of mighty winds
Borne on **wings** of love
Lend your **wings**! I mount! I fly
Mercy comes with balmy **wings**
My soul should stretch her **wings** in
haste

My soul would stretch her **wings** in
haste

Oh had I **wings**

On **wings** of love I'll fly

On **wings** of love we'll fly
Rise, my soul, and stretch thy **wings**

Ris'n with healing in His **wings**
The soul for joy then claps her **wings**
Then fold thy **wings** and stay

They come, they come on **wings** of
light
When gladness **wings** my favored
hour
Who tipped your glitt'ring **wings** with
gold

winning

Is **winning** souls away

winter

For lo, the **winter** is past
The rain is gone, the **winter's** past
Where **winter** and clouds are no more

winters

And why are my **winters** so long

wintry

And **wintry** days appear

wipe

And **wipe** my weeping eyes

His own soft hand shall **wipe** the tears

wiped

Our tears shall all be **wiped** away
The tears are all **wiped** from his eyes

wipes

He **wipes** away their sorrows
Hope **wipes** the tear from sorrow's

And He **yet** is with us 429 *Christian's Delight*
 And **yet** how slow devotion burns 138b *Ogletree*
 And **yet** prepared no more 162 *Plenary*

And **yet** she is able to land still more
 And **yet** we dread to enter there

But One can **yet** perform the deed
 It stood hundreds of years, and is not
yet decayed
 My Savior doth not **yet** appear
 Oh can I **yet** be saved by grace
 Oh can I **yet** one effort make
 They never **yet** have halted

Which is **yet** to sound
 Why will ye doubting stand, why **yet**
 delay
Yet a season, and you know
Yet again we hope to meet thee
Yet beaut'ous fields lie just before me
Yet calm are his feelings, at rest is his
 soul
Yet Christians sing and shout the
 louder
Yet glory and praises they sung
Yet God hath built His Church thereon
Yet how rich is my condition
Yet loved me, notwithstanding all

Yet may we meet and be complete
Yet never fear, we'll gain the day
Yet, oh! by faith I see
Yet quickly from these scenes of woe
Yet save a trembling sinner, Lord
Yet still He pleads and mourns
Yet the Lord invites again
Yet the question gives a plea
Yet, there's no sickness, toil nor
 danger
Yet there was something in his eye
Yet we must take the parting hand
Yet when I see that we must part

yield

And basely to the tempter **yield**
 At morning and ev'ning could **yield** us
 delight
 I **yield** myself to Thee
 That death should **yield** his ancient
 reign

us a while
 To crown the **young** and rising states
 When I was **young** and wild
Young ladies, all attention give
Young people, all attention give

Young people, hear me as your friend

And seized eternal **youth**
 In the bright season of my **youth**
 Let's live so in **youth** that we blush not
 in age
 Nor grieve that **youth** is o'er
 That holy book shall guide our **youth**
 While beauty and **youth** are in their

 Ye blooming **youth**, this is the state
Youth, like the spring, will soon be

 Blow the trumpet in Mount **Zion**
 Come, all ye **Zion** mourners
